Who Done It?

1. Split into two groups.
2. Take a notecard and write a fun fact or story about you that others might not guess just by looking at you.
3. Hand your notecard to your icebreaker leader.
4. Icebreaker leaders – mix notecards, hand back out in random order.
5. Taking turns, read the notecard and guess whose notecard you have.
6. After someone has taken a guess, claim your notecard and introduce yourself!
